About us

A place to feel at home.

Thoughtful stays. Welcoming spaces. Discover the idea at the heart of Guest House.

Welcome to Guest House

A stay is more than a place to pause. It is the feeling of being welcomed, having space to settle in and finding a little comfort away from the everyday.

Whether you are planning a short visit or a little longer away, we invite you to explore the property and find a stay that suits you.

Our philosophy

Simple comfort. Thoughtful stays.

Our idea of hospitality is personal and uncomplicated: a welcoming setting, a considered pace and room for you to feel at ease. The details of your visit begin with a conversation.

What a welcoming stay means to us

A warm welcome
Hospitality begins with listening to what makes a stay feel right for you.

Room to unwind
A quieter pace, welcoming spaces and time to make yourself at home.

Thoughtful guidance
Clear conversations about your stay, from room preferences to arrival plans.
